Additional Benefits

The benefits and services that are available to GenNet members will provide the necessary tools to equip, expand, and energize your ministry to a new level in building the Kingdom of God. Membership Benefits include:

- **Impartation:** By bringing yourself into alliance with the leadership of Jeff Beacham, the Network's founder and president, he imparts to you the anointing that is on his life which is enriched by his connection to spiritual leaders of world renown, both past and present. As a network member, Jeff Beacham's and other's anointings and spiritual genealogy become yours as well!
- **Corporate Anointing:** An extension of Jeff Beacham's anointing, the members of GenNet and those they are connected with, number in the hundreds of faith-filled saints. They know how to intercede for brothers and sisters in Christ, no matter what they are believing for! "Five of you shall chase a hundred, and a hundred of you shall chase ten thousand, and your enemies shall fall before you by the sword" (Leviticus 26:8, ESV).
- **Peer Associations / Networking:** GenNet gives you the opportunity for camaraderie with other members. Your brothers and sisters in the Network are like-minded, Holy Spirit-filled men and women. They can easily relate to the challenges you face in ministry - because they're involved in the same labor. They are readily available for you to confide in, share with and join in agreement with you before Almighty God for your greatest personal and ministry needs. Many GenNet members report making lifelong friends from their contacts in this great association of ministers and ministries.
- **Gatherings:** GenNet sponsors meetings throughout the year, from regional gatherings to life-changing conferences. These events are like family reunions, where testimonies are shared and the Body of Christ is built up. They will equip, empower and propel you to the next level in your life and ministry.
- **Exclusive Phone and Video Conferences WITH Jeff Beacham and other GenNet Leadership:** The GenNet office coordinates telephone conferences with Jeff Beacham, so you can hear first hand what God has been telling him. It's an important way you can share in the vision of this ministry directly from its founder - and because you can participate from anywhere, it's a convenient and effective tool of communication for every Network member.
- **Ongoing Communications:** The GenNet office keeps its members updated throughout the year with regularly scheduled letters, e-mails, social media and other communications, so you can stay in touch with Jeff Beacham and other GenNet members.
- **GenNet Web Site.** GenNet's virtual home, www.gen-net.net is an outstanding resource for members. Also, visit us on Facebook under 'GenNet.'
